

# Your MIDDLETOWN ARTS CENTER

*After Serving The Community for 50 Years, We're Showing Our Age.*

*With Your Help, We Can Keep It Working.*

For a half-century, the Middletown Arts Center has enriched the community by providing educational opportunities for those discovering and developing their artistic abilities. As a not-for-profit organization, we depend upon the generous support of our many members and sponsors. In order to continue our tradition as a stimulating and diverse learning center, we must make major repairs to our aging downtown building. You can help with this opportunity to create a permanent remembrance of a loved one, a message promoting your business or special cause, or simply show your support of our mission.

For only \$70 each (tax deductible), we will place an engraved brick (4" x 8") with your message in our walkway. Simply print your message on this form and forward it with your donation. We are limited to three (3) lines with fourteen (14) characters per line, and each square on the form represents a letter, comma, period, dash, and/or space – so please plan accordingly. Note: The Center reserves the right to reject any orders considered inappropriate.

Thank you for your kind and generous support. We will mail an acknowledgment of your donation and notify you when installation is scheduled.
