OIL WORKSHOP WITH DAVID MUELLER
“SOPHISTICATED FUNDAMENTALS”

“ I like to create renderings that capture the essence of simple, yet profound, aesthetics. The current focus of my work is primarily figurative paintings, many including some kind of decorative element. I strive to create “timeless” images. My style is aimed at finding a happy medium between classical realism and impressionism. I also love to plein air paint to try to capture the essence of natural landscape.”

David Mueller, originally from Chicago, currently resides in Northern Kentucky. He is a 1987 graduate of The American Academy of Art, in Chicago, whose fine art program had a strong focus on traditional realism. Over the past 15 years, David has created paintings for private and corporate collections and shown work in major exhibitions from coast to coast including recent one man shows in New York and the Midwest. He was featured in The Artists Magazine in 1993 and 2004. David is currently active in the Cincinnati Art Club. He demonstrates his techniques as a guest speaker there and with many regional organizations. He has taught oil painting/drawing privately and in regional workshops.
