ROD RANDALL PASTEL PORTRAIT WORKSHOP

JUNE 21-23, 2010 (MONDAY-WEDNESDAY)

TIME: 9:30AM-4:00PM

COST: \$250.00 FOR MEMBERS

\$295.00 FOR NON-MEMBER

\$50.00 DEPOSIT WILL RESERVE YOUR SPACE

THE WORKSHOP

Rod's workshop will expose the student to all aspects of creating a portrait using the medium pastel in the classical realist tradition. There will be daily demos and instruction by Rod using a live model. The student will learn how to capture the likeness of the subject and how the use of values of color can help produce a realistic rendition whether using the live model or a photograph.

This workshop is for intermediate to advanced students with a basic understanding of drawing, but knowledge of pastel use is not necessary since the method used is not practice by most pastelists.

THE ARTIST

Rod sold his first commissioned work in 1983 after studying at the Art Academy of Cincinnati. He has been influenced and studied under the master painter Daniel E. Greene N.A. at his New York studio. His paintings have been featured in many exhibits and art shows and hang in private and public locations in the United States.

He also designed and created signage and logos for over 400 clients for 20 years.

In an effort to promote and better the arts he has given demonstrations of portrait drawing and painting for many organizations and societies with the hope that his demonstrations might help to encourage others to seek a higher level of expressing their creativity through art.

"I find great joy in sharing my years of experience as an artist with others. I have found that many people are very interested in knowing how to express themselves or deliver a message through art. Some are looking forward to making art a career while others are looking for an interesting and enjoyable past-time."
