THE REGGIE FINKELMAN FAMILY MAKING A LASTING IMPACT AT THE MAC THROUGH LEGACY GIVING

Estelle "Reggie" Finkelman was a gifted contemporary artist and influential member of the Middletown community before her passing in 2018. She was an important part of many fond memories at the arts center.

We are so grateful for the transformative charitable gifts we've received from the family of Reggie Finkelman in her honor. Their contributions make a crucial difference in the arts and cultural experiences we are able to provide our community. Memories of Reggie have a lasting impact at the MAC!
